

## KEEP WALKIN' ON

In this world of trouble, sorrow and  
temptation  
Jesus always promised, trial and  
tribulation  
But he said you don't have to fret or  
fear  
Children be of good cheer  
Keep walkin' on  
Keep walkin' on

In Jesus Christ the truth is found  
He'll keep your feet on solid ground  
Sometime we have to just believe  
But he put it in the book for us to  
read  
Satan you can't fool this girl  
My Lord overcame this world  
Now I'm walkin' on  
Yes, I'm walkin' on  
I'm walkin' on  
Oh, I'm walking on

Well Jesus walked on the water  
Peter walked on it too  
God will give you the power  
To do what you cannot do  
Every road you've travelled  
He's travelled down before  
Ain't no need to worry  
Where it leads to anymore  
I'm walkin' on  
Yeah, I'm walkin' on  
I'm walkin' on  
I'm walkin' on

I'm walkin' on  
I'm walkin' on

Well the road is narrow and it's  
straight  
But it leads right up to the golden  
gate  
It may be rough, it may be long  
But I don't have to walk alone  
'cause step by step and day by day  
He takes my hand, I hear him say  
Keep walkin' on  
Keep walkin' on  
Keep walkin' on  
Keep walkin' on

What ya gonna do when you can't  
pay the rent  
What ya gonna do with the money's  
spent  
What ya gonna do when you just  
can't cope  
What ya gonna do when you're out  
of hope  
Keep on walkin'

Keep on walkin'  
Keep on walkin'  
Keep on walkin'

I'm walkin' on  
I'm walkin' on

Oh, Lord I'm gonna walk on
