

TYPICAL DAY

See the blind beggar lying down by the gate
Waiting for someone to help him today
Then a passerby sends him shoutin' on his way
In the name of the Lord.

Reachin' out and touchin' the sick and diseased
Calling on the Master to meet every need
Leaving a long trail of victory
Singing praise the Lord.

Chorus:

It's just another day in the life of a child of God
Walkin' down the road where the Savior trod.
A typical day in the life of a child of God
Clappin' our hands to a victory song
Rising over sin where we belong
Just another typical day in the life of a child of God.

Walkin' in the fire, waddin' in the flood
Nothin's gonna stop 'em until the day's work is done
Every situation is under the blood
Of the crucified Lamb.

The young and the old, the weak and the strong
Helpin' one another and marchin' along
Lookin' straight ahead knowin's that it's not long
'Til He's coming again.

(Chorus)
