

I PRAYED FOR YOU (DAVID'S SONG)

Throughout the day I often think of you and start to beam
I want you to feel loved and know just what you really mean.
So through this busy day I've paused to make sure that you know
Wherever you may wander babe my love with you will go.

The days fly by and often time is wrapped in needless worry
But nothing will overshadow you because I'm in a hurry
Yes, time is one precious gift I want to give to you my love
I prayed for you and God sent me my answer from above.

Each morning I spend time in prayer and ask God to uphold
Your heart, your head, your every step
And pray that you'll be bold.

It's not an easy task to walk in wisdom in this world
But I'm amazed at how I see His plan being unfurled.
God's handprint is so strongly etched on your most tender heart
I find the person that you are a wondrous work of art.

Favor, grace, integrity I pray for you each day
For when you leave each morning I know He's got plans that day.
I'm proud to call you husband, friend and confidant that's true

I'm thankful for you every day, and David, I love you.
