

“SAY HEY”

However long our feet have walked on this world
We've all lived long enough to know
That sometimes life will go our way, and other times it won't.
But still I've got this joy, inside of me
With each new dawn I do believe to

Say Hey it's a good day, even if things aren't going my way
Jesus is Lord and I am saved so, Say Hey, it's a good day.

Circumstance and situations change
You know life can turn on a dime
But there's a constant hope and peace
That I have come to find
And it's all because of who God is
And that He is alive and I am His so

Say Hey it's a good day, even if things aren't going my way
Jesus is Lord and I am saved so, Say Hey, it's a good day.

We are all as happy as we make our minds up to be
But I have just decided that nothing's gonna take this joy from me, Yeah, so

Say Hey it's a good day, even if things aren't going my way
Jesus is Lord and I am saved so, Say Hey, it's a good day.
