

“Bad News for the Blues”

Verse 1:

I may not feel like singing
But I don't go by what I feel
The world may say, “then God's a myth”
But I know that He's real
Cause He made me an offer
That I could not refuse
And that's bad, bad news for the blues.

Chorus:

That's bad news for the blues
God turns everything around
The sun shines brighter
The load gets lighter
Trouble can't keep you down
When you walk with Jesus
Aint no way you'll ever lose
And that's bad, bad news for the blues.

Verse2:

You've had your share of problems
And you've let em get you down
Robbed you of your joy
And left you living with a frown
Well I'm here to remind you
Victory is yours to choose
And that's bad, bad news for the blues

Chorus:

That's bad news for the blues
God turns everything around
The sun shines brighter
The load gets lighter
Trouble can't keep you down
When you walk with Jesus
Aint no way you'll ever lose

And that's bad, bad news for the blues

Chorus:

That's bad news for the blues
God turns everything around
The sun shines brighter
The load gets lighter
Trouble can't keep you down
When you walk with Jesus
Aint no way you'll ever lose
And that's bad, bad news for the blues
