

## IT'S A GOOD THING

### CHORUS

It's a good thing to sing praises to your name  
It's a good thing to sing praises to your name  
All of the earth is full of your Glory  
Let all of the earth proclaim  
It's a good thing, it's a good thing, it's a good thing  
To sing praises to your name

We tell of your love in the morning, in the morning noon and night  
For your faithfulness we adore you, we adore you most high  
With every breath, with all of our hearts  
We rejoice in who you are

It's a good thing to sing praises to your name  
It's a good thing to sing praises to your name  
All of the earth is full of your Glory  
Let all of the earth proclaim  
It's a good thing, it's a good thing, it's a good thing  
To sing praises to your name  
(oh yeah)

We worship you Lord for your goodness  
In your goodness we delight  
What could compare to your presence  
For your presence is our life  
With every breath, with all of our hearts  
We rejoice in who you are

It's a good thing to sing praises to your name  
It's a good thing to sing praises to your name  
All of the earth is full of your Glory  
Let all of the earth proclaim  
It's a good thing, it's a good thing, it's a good thing  
To sing praises to your name

Oh yeah, it's a good thing, it's a good thing  
Oh, it's a good thing, it's a good thing, it's a good thing
