

## **“Make Me Aware”**

©2009 Words and Music by Paul Marino and Shannon Perry

There are people who are searching  
For peace that only You can give  
Strangers to Your grace and mercy  
Longing for some life to break through  
Lord let my heart meld with your heart

Make me aware of all that's around me  
Help me to see like you do  
This is my prayer, Spirit surround me  
I want to walk in your shoes  
Love to the broken, hope to the lost  
Living like you, whatever the cost  
Make me aware  
Make me aware

I will deny myself for Your purpose  
So let your glory shine in me  
May your compassion be my  
compassion

Make me aware of all that's around me  
Help me to see like you do

This is my prayer, Spirit surround me  
I want to walk in your shoes  
Love to the broken, hope to the lost  
Living like you, whatever the cost  
Make me aware  
Make me aware

Lord let my heart meld with your heart  
Make me aware of all that's around me  
Help me to see like you do  
This is my prayer, Spirit surround me  
I want to walk in your shoes

Make me aware of all that's around me  
Help me to see like you do  
This is my prayer, Spirit surround me  
I want to walk in your shoes  
Love to the broken, hope to the lost  
Living like you, whatever the cost  
Make me aware, make me aware
