

“Take What’s Yours”

©2009 Words and Music by Paul Marino and Shannon Perry

Here in this moment, I stand before you
To seek forgiveness and make things right
I lay my failures down at the alter
I want to let you know that I need you Lord,
I need you Lord.

So take what’s yours, for I am yours
Everything I am belongs to you
Oh Lord, for I am yours
Everything I am belongs to you.

You’re my creator, I am your servant
You are my Father, I’m your child
And you have made me for this one purpose
To give you glory with my life.

So take what’s yours, for I am yours
Everything I am belongs to you
Oh Lord, for I am yours
Everything I am belongs to you.

I need you Lord
I need you Lord

So take what’s yours, for I am yours
Everything I am belongs to you
Oh Lord, for I am yours
Everything I am belongs to you.
