

## **“The Real Thing”**

© 2009 Words and Music by Paul Marino and Shannon Perry

I can convince everyone around me how much I love you

I can sing your praise or one of those clichés

And make them believe it's true.

But you know who I am, and you know my heart

So take it, I don't want to fake it.

I want to be the real thing who loves you more than anything

I want to be so genuine

When somebody's looking in my heart,  
They see the real thing.

I can pretend you're my one and only, everything I need.

I can sing your praise, with my hands upraised

So everyone knows I'm free.

But you know who I am, and you know my heart

Lord take it, I don't want to fake it.

I want to be the real thing who loves you more than anything

I want to be so genuine

When somebody's looking in my heart,  
They see the real thing.
